### **Dali & Associates Expands Executive Assistant Recruitment Services to Nevada**

February 11, 2025, Dali & Associates, a leading executive assistant recruitment firm renowned for its bespoke talent placement services, is proud to announce its business expansion into the state of Nevada. Dali & Associates expanded into Nevada in 2020 and this strategic move reflects the company's commitment to connecting top-tier executive assistants with organizations across the U.S., further broadening its reach to meet growing client demand.

Founded by industry expert Kim Dali, Dali & Associates has successfully placed extraordinary executive assistants for over 25 years, building a prestigious clientele that spans industries such as technology, biotech, legal, venture capital/private equity, financial services, construction/real estate and more. The firm's expansion into Nevada aims to bring its high-quality, personalized recruitment solutions to businesses seeking exceptional administrative talent.

### **A Trusted Name in Executive Assistant Recruitment**

As a former executive assistant herself, Kim Dali offers unmatched insights into the critical role EAs play in supporting C-level executives and driving organizational success. Her firsthand experience allows her to understand the unique needs of clients and the goals of candidates. Dali's extensive network, cultivated over two decades, ensures access to a vast pool of highly qualified candidates.

"We are thrilled to expand into Nevada and bring our proven expertise to a dynamic and growing market," said Kim Dali, Founder. "Our hands-on, tailored approach ensures that we not only find the perfect match for each organization but also foster long-term partnerships that drive sustained success."

### **Going Beyond Recruitment — A Comprehensive Support System**

What sets Dali & Associates apart is its dedication to elevating the recruitment experience. In addition to meticulously screening and personally interviewing candidates, the firm offers an exclusive benefit—three complimentary one-hour consultation sessions for placed candidates, conducted by Linda McFarland, a veteran EA coach and trainer with over 25 years of experience.

These sessions are designed to ensure a seamless transition and effective integration into new roles, setting the stage for lasting success.

### **Tailored Solutions for Every Business**

Dali & Associates specializes in recruiting for various administrative roles, including:

- Executive Assistants
- Legal Secretaries/Legal Assistants/Paralegals
- Remote Executive Assistants
- Administrative Assistants
- Junior Administrators
- Receptionists
- Office Managers
- Personal Assistants

With the firm's expanded operations in Nevada, companies in the region can now benefit from this personalized, high-touch recruitment approach. Dali & Associates has already worked with top investors and law firms in Nevada.
